Additionally, we will proceed with the spay regardless of pregnancy status. If you think your pet is pregnant and do not wish to proceed with the spay, it is best for you to reschedule your pet's procedure until we can confirm pregnancy status via x-rays (radiographs). We will only perform dental extractions if it is in the best interest of your pet. For your pet's health, we will not provide advance notification before teeth are extracted.**

I hereby consent and authorize Aztec Pet Hospital (Dr. Kuczek and his staff) to perform the procedure listed above and originally agreed upon and to treat my pet as they best see fit. Aztec will use all reasonable precautions against injury, escape, or destruction of the animal(s); but Aztec will not be held liable or responsible in any manner whatsoever over the care of my pet. I understand that all procedures completed under anesthesia come with risk and there is never a guarantee that named procedure will have the desired outcome nor that it will be without complications. Aztec will do everything possible to ensure a positive outcome but will not be held liable regardless of the outcome. I understand that all charges must be paid today as well as I must return to pick up my pet. Aztec will send a mailed letter to the address on file if I do not pick up my pet. Ten days after the written notice is mailed, Aztec is to consider my animal as abandoned and may rehome or euthanize them as Aztec sees fit. I understand that I will still be held liable for all costs of care and boarding my pet.

**By signing I acknowledge and agree to everything listed on this form:**
